OGC REVIEW COMPLETED

MEMORANDUM FOR: Deputy Director for Administration

FROM: Legislative Counsel

SUBJECT: Employment of Retired Officers

1. Reference is made to my previous memoranda dated 20 November and 30 November 1950 on the employment of retired officers.

2. The legislation empowering the Federal Government to hire retired officers will not come up at the present session of Congress. It will be immediately reintroduced in the 82nd Congress, and the Committee looks for its passage within 60 days.

3. Any separate legislation on this point which CIA would submit will be bottled up by the Committee until such time as the overall government bill is passed.

4. It is recommended that no further action on this matter be taken until the new legislation is introduced, at which time the Committee will ask for our endorsement.
